

# GOD'S GRAND GAME

By Steven Colborne

18th March 2019

HOW ARE WE TO UNDERSTAND GOD IN AN AGE  
WHEN RELIGIOUS BELIEF IS DECLINING AND  
THE OLD WORLD ORDER IS PASSING AWAY?

*God's Grand Game* is the magnum opus of philosopher Steven Colborne. In the book, Colborne argues that a single God exists, and that God is in sovereign control over the unfolding of all events.
